

# Material Safety Data Sheet (MSDS)

Effective Date: 1st January 2021

Version: 1.1 (This version supersedes all previous versions)

### Section 1 - Product and Company Identification

Company Address: Trade and Consult Europe. Z O.O., Perlowa 8, 62-007 Biskupice, Poland Trade Name: Noopli Contamination Control Floor Mat Contact: +44 7456 668663, +48 725 160 789

# Section 2 - Composition/Information on Ingredients

Thermoplastic polymer with non-migratory plasticizer.

Hazardous Ingredients	CAS No.	EC No. / Registration number(s)	%W/W	Hazard Statement(s)	Hazard Pictogram(s)
Glass, Oxide, Silver Phosphate	308069-39-8	608-534-1	-	Not Classified.	None.

# Section 3 - Hazards Identification

Ingestion: Not probable route of exposureSkin: Molten material will cause thermal burnsEye: Mechanical irritation onlyInhalation: Stock shapes are not respirable

# Section 4- First Aid Measures

If exposed to fumes from overheating, move to fresh air. Consult a physician if symptoms persist. **Skin:** Not applicable **Eyes:** Not applicable **Ingestion:** Not applicable

### Section 5 - Fire Fighting Measures

Flash ignition temperature: 500° F.

**Unusual fire, explosion hazards:** Polyester Polymer will not continue to bum after ignition without an external fire source. **Hazardous combustion products:** Burning liberates HCL gas.

**Special fire-fighting instructions:** Fire fighters and others exposed to products of combustion should wear full protective clothing including self-contained breathing apparatus. Fire-fighting equipment should be thoroughly decontaminated after use.

Extinguishing media: Water spray, CO2 or Foam extinguishing agent.

#### Section 6 - Accidental Release Measure

Spill or release: Not applicable

Section 7 - Handling and Storage

Practice reasonable care and caution when handling Store at room temperature.

### Section 8 - Exposure Controls/Personal Protection

Eye: Not applicable Skin: Not applicable Ventilation: Not applicable Respirator: Not applicable

### **Section 9 - Physical and Chemical Properties**

Appearance: Coated fabric sheet Odour: Odourless Melting Point: This product does not exhibit a sharp melting point, but softens gradually over a wide temperature range. Solubility in water: Insoluble Volatile content %: 0 Specific gravity: 1.39

#### **Section 10 - Stability and Reactivity**

Stability at room temperature: Stable Materials to avoid: Acetones and abrasives agents Conditions to avoid: Open flames

# Section 11 - Toxicological Information

Not applicable.

Section 12 - Ecological Information

No known hazards.

Section 13 - Disposal Considerations

Recycling recommended whenever possible; landfill or incineration in compliance with local regulations.

#### Section 14 - Transport Information

Hazard class: Not applicable Shipping name: Not applicable

#### Section 15 - Regulatory Information

This product contains no known toxic chemicals.
