

BCR[®] Cleanroom Mops

Efficient cleaning of floors, walls and other large surfaces is critical to the overall cleanliness of the production environment. BCR[®] Mop Systems replicate wiping, the most effective way to clean a surface. Berkshire's mop systems are easy to use, highly effective and quick, practical and convenient. The BCR[®] Cleanroom Mop proves itself on large and small production areas and is ideally suited to distributing or mopping up large quantities of liquids.
